

## Two Million Hits in One Month!

Editorial Staff

According to a report produced by WebTrends, [acupuncturetoday.com](http://acupuncturetoday.com) enjoyed 2,345,058 hits on 65,877 unique visits during the month of November. While the amount of visits to the *Acupuncture Today* website has been growing steadily, this is the first time it has reached over two million hits.

[Acupuncturetoday.com](http://Acupuncturetoday.com) contains numerous features for acupuncturists and doctors of Oriental medicine as well as consumers interested in acupuncture and all forms of Asian healing. These include the latest news and research; an acupuncturist locator; an online discussion forum; and an "Ask an Acupuncturist" forum to educate the public about the benefits of acupuncture and Asian healing. Readers can access current news even before they receive *Acupuncture Today* in the mail. All previous articles published in *Acupuncture Today* are also available for viewing and printing.

To learn more about everything the online version of *Acupuncture Today* has to offer, visit [www.acupuncturetoday.com](http://www.acupuncturetoday.com).
