

Journal of Chinese Medicine Celebrates 30th Anniversary

DIGITAL EXCLUSIVE

This June marks the 30th anniversary of the Journal of Chinese Medicine and we are celebrating by giving away three baskets filled with Journal of Chinese Medicine essentials.

Each basket will feature:

- Issues 88, 89 and 90 of the Journal of Chinese Medicine
- The 9th edition of the JCM CD-ROM
- A Collection of Teas
- A Manual of Acupuncture (Second Edition) by Peter Deadman & Marzin Al-Khafaji
- Nature's Foods by Peter Deadman & Karen Betteridge

Subscribe or renew your subscription today and be entered to win one of these prized baskets. All subscriptions received before June 1st will be eligible to win*.

For the past three decades, the Journal of Chinese Medicine has served academic institutions, libraries, professionals, and students entering the field of Oriental medicine. As a premier resource for the most recent academic research in the field of traditional Chinese medicine, the Journal is an unparalleled collection of modern information about ancient healing methods. A detailed record of Eastern modalities in a Western setting, the Journal has continued to develop and expand in recent years, marking this anniversary as a milestone of scholastic success.
