

GENERAL ACUPUNCTURE

## Congratulations to Our Survey Winner

On December 4, *Acupuncture Today* sent out a survey in regard to acupuncture information technology. To show our appreciation to participants, we ran a drawing for one lucky winner to receive a new Apple iPad Mini. And the winner for the drawing is Dr. Thomas Turpen! Congratulations, and thank you for your participation in our survey.

If you would like to participate in future surveys, sign up for the Deals & Events e-newsletter by [clicking here](#).
